NGUYEN THANH NGUYEN

Front-End Developer

0974567975 - thanhnguyennguyen1228@gmail.com - Distric 10, Thành phố Hồ Chí Minh
12/05/1997 - Github: https://github.com/nguyennguyenthanh - Linkedin: https://www.linkedin.com/in/th%C3%A0nh-nguy%C3%AAn-nguy%E1%BB%85n-3367a327a/

Summary

Having passion with computer, I chose to become a professional programmer. I approached and developed my skillset starting with coding a website and I was fascinated by that. My goal in the next 2 years is to become a senior FE dev. Beside that, i will also try to learn and improve BE knowledge to become a basic full-stack dev.
